Dear Parent/Carer,

COOL MILK

Free milk is available for all children aged under five in school, funded by the UK government.

In our school, this milk is provided by Cool Milk, the UK's leading school milk supplier.

We will register your child for their free school milk on your behalf by providing Cool Milk with your child's name and date of birth. This removes the requirement for you to complete a registration process.

If you would prefer to register your child for Cool Milk please visit www.coolmilk.com.

All information handled by the Cool Milk group is processed in accordance with the Data Protection Act 1998. All personal information is securely stored on Cool Milk's UK servers, and is never passed on to third parties without your permission.

Once your child turns five, if you would like them to continue receiving milk you must contact Cool Milk and pay a subsidised rate.

Please let the office know if you would prefer us not to register your child for free school milk.

Yours sincerely

Mrs Ward
Acting Headteacher
